

#ILikeItDigital

FRIENDLY PEOPLE.  
GOOD IDEAS.

dotSource®

## Java Developer (f/m/x)

dotSource, that's over 300 digital natives with one mission: designing digital customer relations. We've been supporting businesses in their digital transformations since 2006. Whether e-commerce and content platforms, customer relationship and product data management, or digital marketing and artificial intelligence: in line with our claim »Digital Success right from the Start«, we develop and implement scalable digital products. Companies like Esprit, EMP, BayWa, Axel Springer, hagebau, C.H. Beck, Würth and Stabilo trust in our competence. Learn more at [www.dotSource.com](http://www.dotSource.com).

### 6 REASONS, WHY YOU SHOULD JOIN DOTSOURCE:

From the first moment:  
Exciting projects with well-known clients, provocative tasks, and responsibilities.

Drinks, fresh fruit, table soccer, team events, and office parties. A fun, familiar feeling.

Steady chances to learn more through further development and actively shape dotSource's growth.

dotSource Bootcamp gets you ready for your role quickly.

We take your work-life balance to heart. Expect flexible working times, time accounts, fitness subsidies, and much more.

And the most important thing:  
**WE'RE LOOKING FORWARD TO YOU!**

More on [www.dotSource.com](http://www.dotSource.com)

### WHAT YOU CAN EXPECT:

- Support and development of software projects in an interdisciplinary team
- Conception and design of web applications and interfaces
- Analysis of requirements, specification, and implementation
- Ensuring code quality and continuous optimisation of development processes

### WHAT WE EXPECT:

- Successfully completed computer science studies or comparable technical qualification/training
- Very good knowledge of Java
- Good web knowledge of HTTP, XML, XHTML, CSS, JavaScript
- Ideally knowledge of database management systems
- Practical experience with common Java IDEs, e.g. IntelliJ or Eclipse
- Ideally experience with agile software development processes
- Good German language skills
